

Stave House Music Award

Dear Parents/Carers

We have been working as a class towards our Stave House Level 2 award in our music lessons.

To gain this award, the children will show many musicianship skills, including being able to read and count musical notation, a very useful musical skill.

This term, there will be an opportunity for your child to take the Level 2 Stave House examination in school, adjudicated by an external examiner. We will need to register the children who take the exam with the London College of Music, under whose auspices the examinations are held.

All children taking the examination will gain a pass certificate (from the London College of Music) for having covered the syllabus work. If they demonstrate confidence and competence with all the skills they will be awarded a pass with distinction. They will be examined in small groups in the presence of a familiar adult.

The examination fee is £15. If you would like your child to participate, please would you complete the form below and return it, with the examination fee, cheques payable to Primary School'. The form and fee will need to be returned by

We recommend that all children taking this exam have their own Stave House materials to work with at home - these will be useful in the future for Level 2 Awards and for any instrumental tuition they may have in the future.

Level 2 covers Stave House teaching steps 7-9 which can be viewed on the Stave House website at <http://stavehouse.co.uk> – Go to 'About Stave House' – Resources - Teaching steps.

Yours sincerely,

.....

I would like my child :(name)_____ (class/Bay)_____

Date of Birth (required by LCM)_____
